Setting

A screenshot of the top toolbar of a rich text editor. The toolbar features a series of dropdown menus: 'File', 'Edit', 'Insert', 'View', 'Format', 'Table', and 'Tools'. The 'Format' menu is currently open, revealing a sub-menu with 'Font Family', 'Font Size', and three text formatting options represented by icons: a letter 'A' with a line underneath (underline), a bold 'B', and an italic 'I'. Below the 'Format' sub-menu, there is a row of icons for text alignment (left, center, right, justified), list creation (bulleted and numbered), link insertion (chain link), image insertion (picture), video insertion (play button), and a smiley face icon for inserting emojis. The entire toolbar is set against a light gray background.
